FROM : Chief, Clerical Training

SUBJECT: Weekly Report No. 34, 26 August - 2 September 1958

1. Numbers in Clerical Induction Training. During the week of 26 August 1958 there were 98 people in Clerical Induction Training. Of those, 27 entered for the first time.

- 2. Numbers in Clerical Orientation Training. During the week of 26 August 1958 there were 52 people in Clerical Orientation. Fifty is the maximum number we can handle in the lecture room, and equipment limitations made it necessary for the instructors to divide the total number into three groups for telephone training and into two groups for the correspondence training.
 - 3. Results of Official Agency Testing Administered by Clerical Induction. The results of the tests administered to the entrance-on-duty employees for the week of 26 August 1958 were as follows:

	Tested	Qualified
Shorthand	7	1
Typewriting	19	8

- 4. Additional Title for the DD/C. Three weeks ago a trainee in Clerical Orientation described DD/C as meaning "Deputy Director/Contemplation." Last week the students in the class supplied us with three additional names for this title; namely, Deputy Director/Control, Deputy Director/Correction, and Deputy Director/Cooperation.
- 5. Instructor to Attend Cable Refresher. On Wednesday, 3 September, Mrs. Chief, Clerical Orientation, will attend a four-hour course given by the Operations School entitled Cable Refresher. Experience in cable writing is not necessary, and it is felt that a background in cable and dispatch writing may be useful to Clerical Training staff members.
